TR

Hi Yu,

She should have access. I updated a few settings. Let me know if it helps. Please note that all students will no longer have access to the course after the end of the quarter.

Thank you,

Hi Tiffany,  
She tried to access the course I taught "I & C SCI X 426.62"

Hi Yu!

Is it a current course that she can no longer see or is she trying to access a course that already ended? Do you know which exact course it is?
